

Individual Reflections Week 1

Fredrik Ahlqvist

1. What do I want to learn or understand better?
 - a. I would like to learn C+ and Unity to develop a product of high quality
 - b. I would also like to get a better sense of the use of Scrum in a project like this
2. How can I help someone else, or the entire team, to learn something new?
 - a. I have experience with sprints and Scrum boards which I could use to help the others gain an understanding for them and their use
3. What is my contribution towards the team's use of Scrum?
 - a. We have as a team created a contract that we all will follow
 - b. I have started making a Scrum board which I hope will be in use by Monday
4. What is my contribution towards the team's deliveries?
 - a. As we don't have a task yet, I have not contributed to this besides discussing possible ideas and candidates for customers
